## OUTDOOR

YMCA Summer Day Camps are outdoor based programs. To ensure every child can fully participate in all outdoor and indoor activities, campers must bring suitable clothing for all types of weather. This includes sunscreen, hat, and water bottle.

Please donate a bottle of sunscreen and a bottle of bug spray at the beginning of camp. Please encourage all campers to wear a hat when participating in outdoor activities.

It would be helpful for parents to apply sunscreen in the morning before the camper arrives at the YMCA. Pool rules are discussed on the first day of camp. Children will be swimming at our outdoor community pools as well as our own indoor pool. Children who wish to swim in the deep end will take a swim test to determine their skill level.

Campers will take regular water breaks throughout the day. Please ensure they bring a water bottle.
